Porcelain tiles

CAYENNE

100x100

Porcelain tiles

100x100 is the result of a great experience in the ceramic sector under the Cayenne brand, as well as the use of the latest technology in porcelain stoneware.

Porcelain stoneware in 100x100 cm format is a powerful tool for professionals in architecture, construction and interior design due to the strength and versatility of the material.

Our 100x100 collection adapts perfectly to all needs, presenting a colour palette made up of 14 different tones divided into 3 series.

Our mission is to create spaces that evoke sensations of comfort among all consumers, as well as contrast and flexibility.

Porcelain tiles

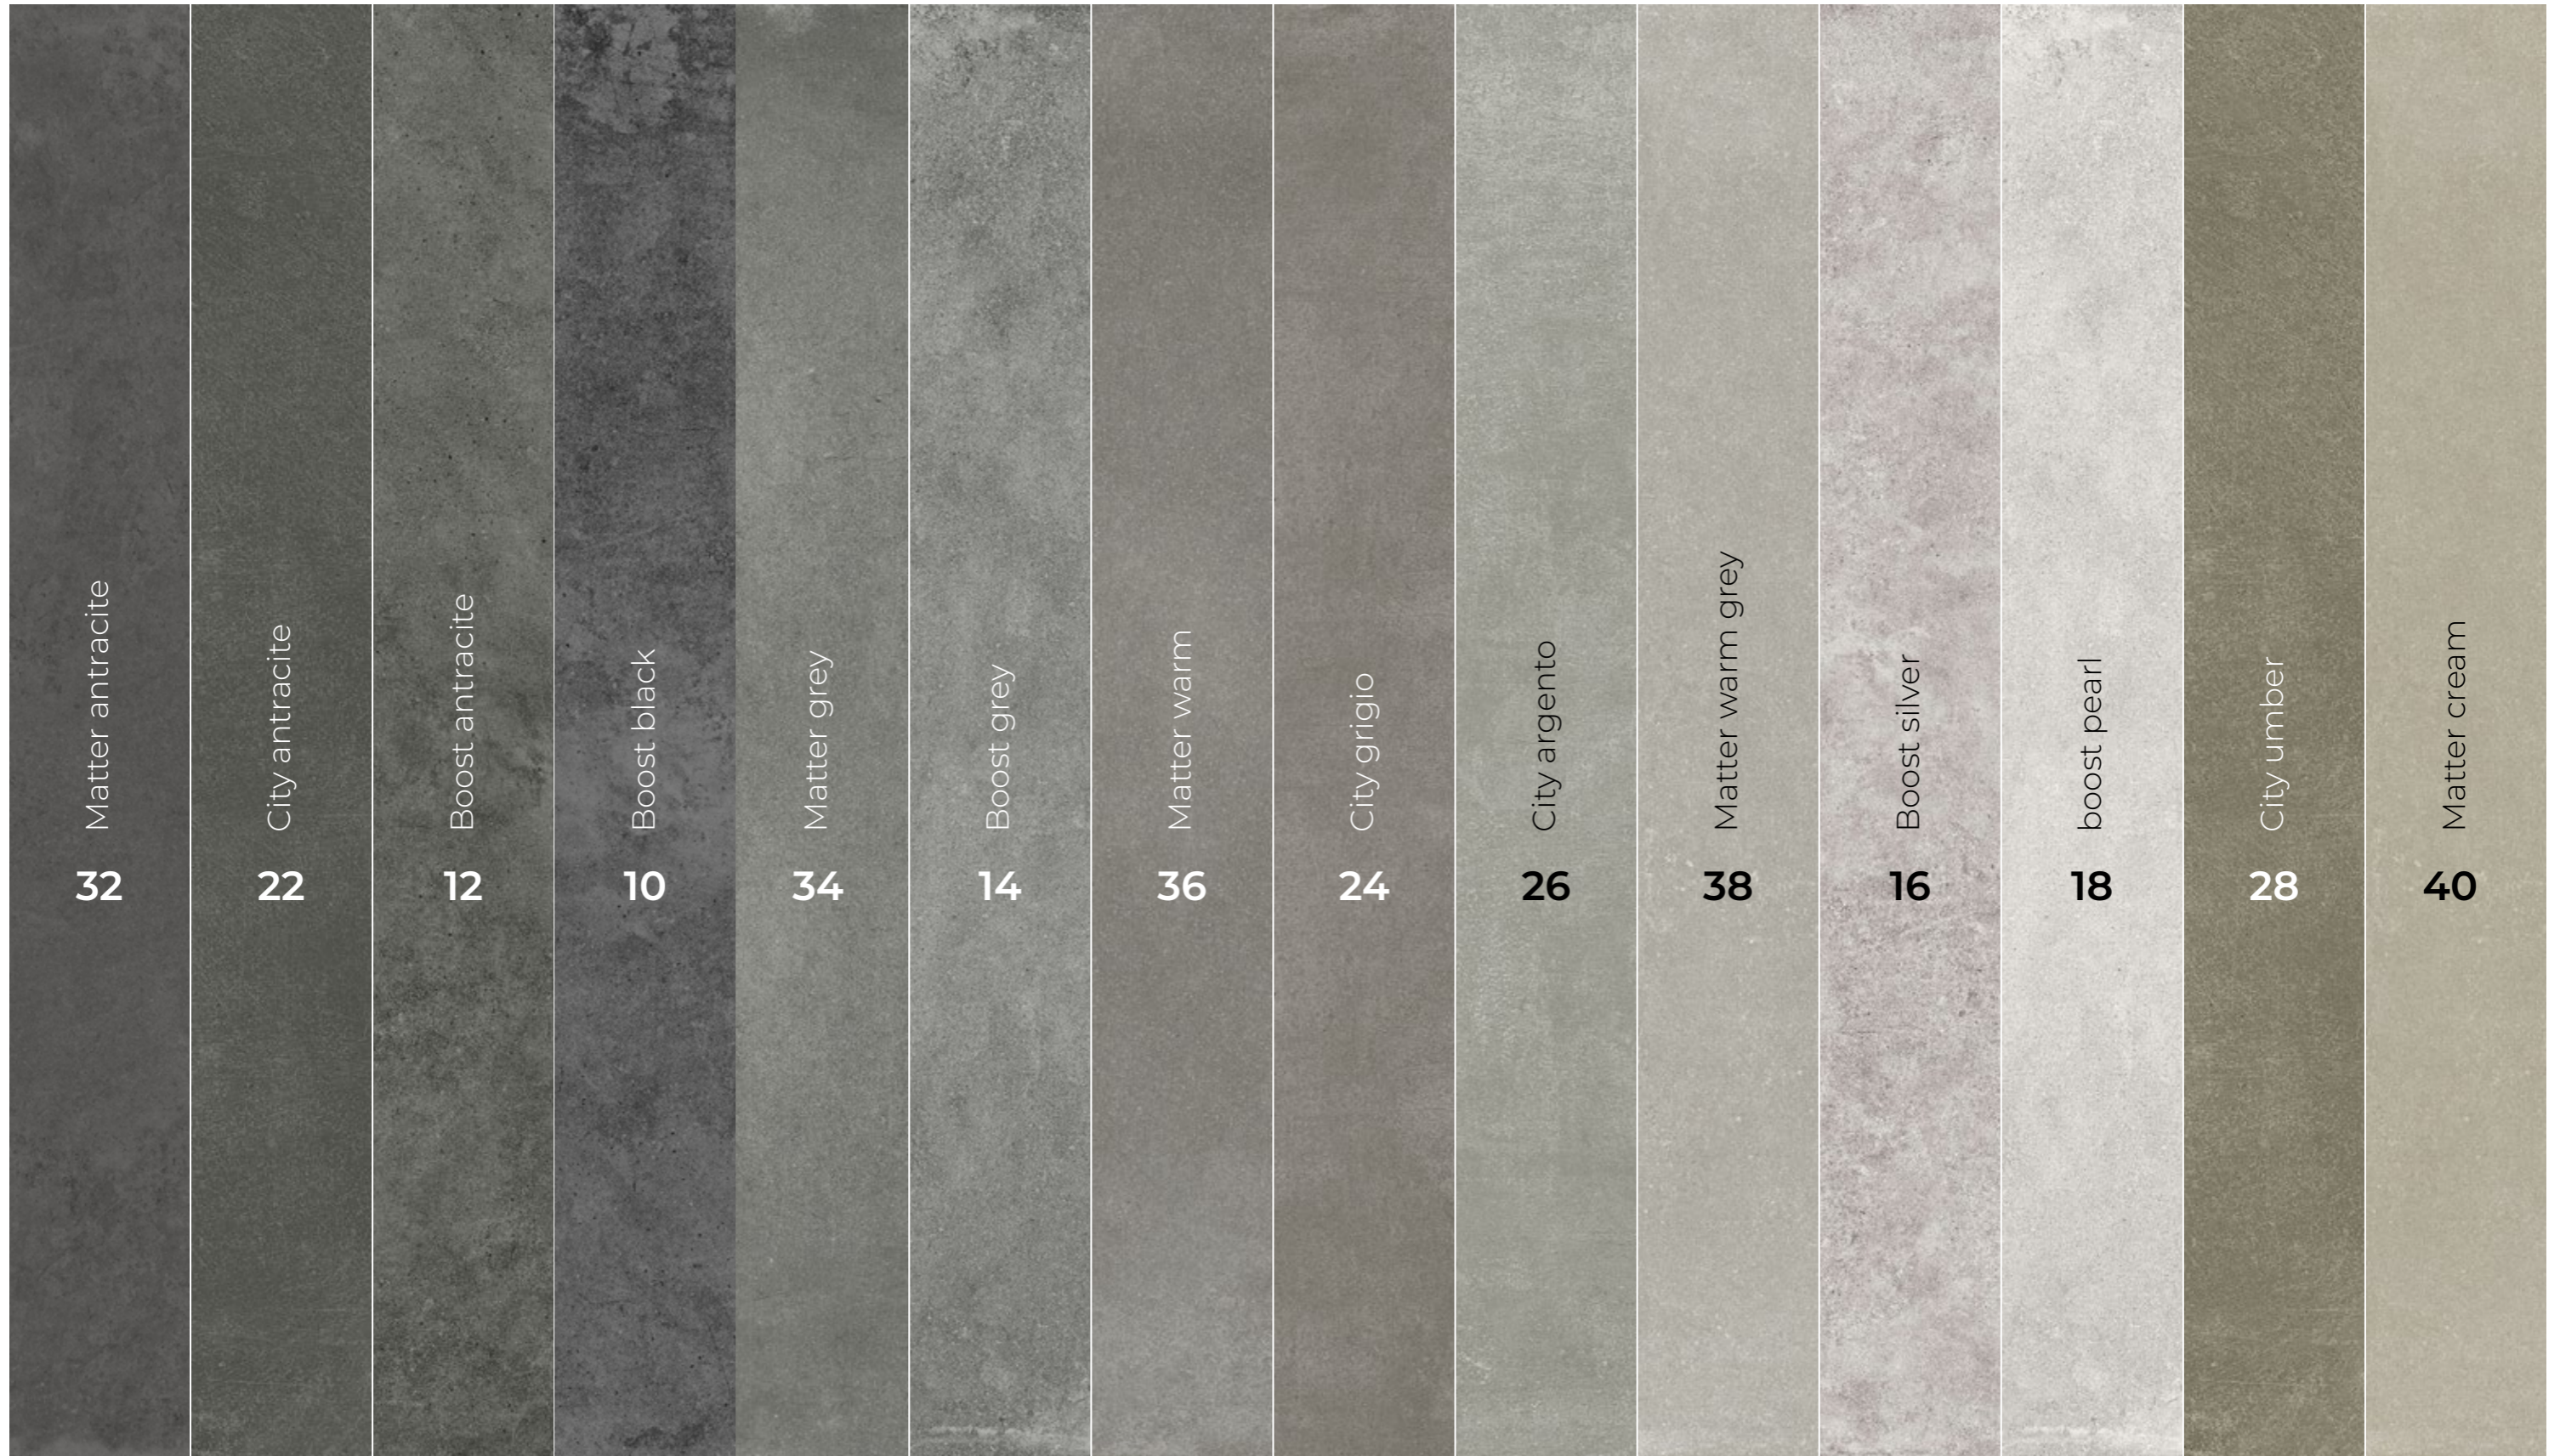

100x100

100x00 by Cayenne offers the perfect base for any architectural project. A large format that will achieve homogeneous surfaces with few joints and a neutral colour range in line with current interior design trends.

Colour Range

We have a colour palette wide enough to satisfy the needs of any architect or interior designer, offering a wide range of colours from cool to warm.
