SINTERED FLOOR TILES

The technical porcelain or “colour body” is a **premium porcelain** manufactured by the pressing of pigmented powders that colour the entire thickness, not only its surface giving to the product a **high performance** and a **resistance** that's superior to the conventional porcelain.

The porcelain is coloured in its full body, not only the glaze of the upper part of the tile.

Antic white
60 x 60cm / 24" x 24"

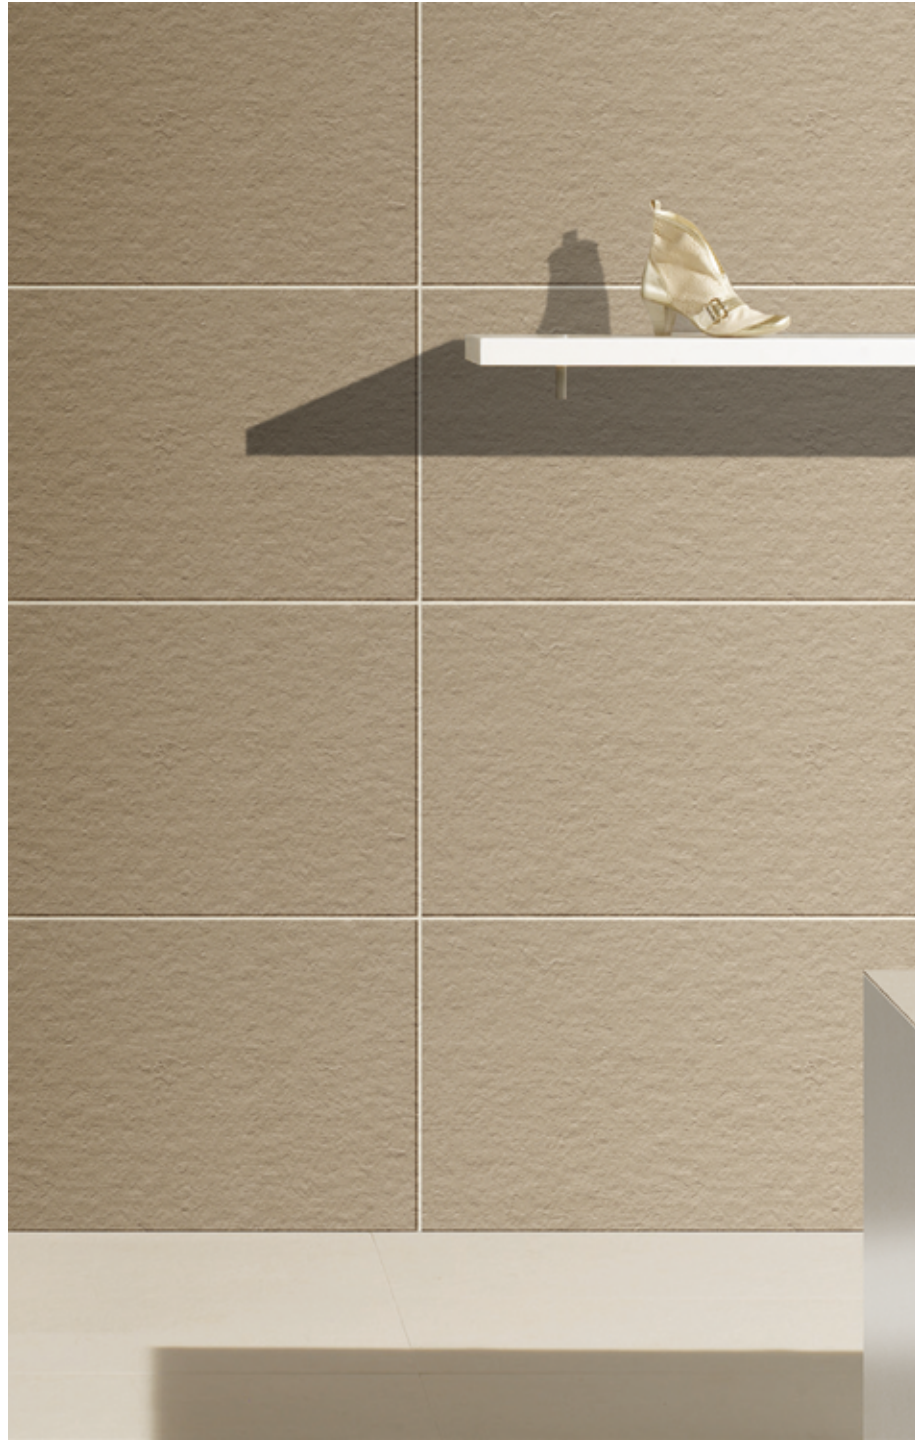

PRO

Black
60 x 60cm / 24" x 24"

Light coffee
